

GARAGE WINE CO.
2021 Semillon Lot #F4, Isidore Vineyard, Maule Valley
CHILE

ABOUT THE PRODUCER

Garage Wine Co. began quite literally in Pilar and Derek's garage with the intent to revive old vineyards in marginalized Chilean communities to make coveted wines. It is still a very DIY project from vineyard to bottle. GWCo makes wines from a series of individual parcels, small lots / bottlings of 8 -22 barrels

ABOUT THE VINEYARD

65+ year old vines, traditionally farmed by hand and horse
Old bush-head vines, some cables mixed with Sauv Blanc
Hand harvested, painstakingly separating Sauv Blanc in the field
1 hectare yielding 3.3 tons per hectare

ABOUT THE WINE

Fermented naturally in amphora.
Seeds were removed when they floated to the surface but skins remained in the juice for eleven months.

TASTING NOTES

Light blonde in color this wine smells of lemon, candle wax and bee pollen. In the mouth, lemon juice, candied lemon peel and a touch of bee pollen mixed with white flowers and honey (but without sweetness). Faint chalky texture and great acidity make this a mouthwatering package.
