

GARAGE WINE CO.

2021 Cinsault, The Soothsayers Ferment, Single Ferment Series, Secano Interior Portezuelo CHILE

ABOUT THE PRODUCER

Garage Wine Co. began quite literally in Pilar and Derek's garage with the intent to revive old vineyards in marginalized Chilean communities to make coveted wines. It is still a very DIY project from vineyard to bottle. GWCo makes wines from a series of individual parcels, small lots / bottlings of 8 -22 barrels

ABOUT THE WINE

Single Ferment Series wines include fruit from more than one parcel or vineyard site and are (co-fermented) "in one singular ferment". Sometimes all of the fruit does not enter the tank at same time and GWC stacks on top of the fermenting tank when the next fruit is ripe -- one single ferment, one single wine.

Three vineyard sites in Ránquil and Guarilhue.

Ancestral farming by hand and horse.

Naturally fermented with native yeasts.

Caps were punched down. Pressed manually.

Barrel aged for a single winter.

TASTING NOTES

Dark plums, wet earth, and cedar. It's bright and sappy with redcurrant and orange zest and stony, mouth-watering acidity. It has a medium-body that draws out a round and generous palate, through red cherries and juicy tannins. Heaps of fruit but with architecture.
